A Brief Message from Fr. Dave **Election Day, Veterans Day**

Last week our presiding bishop spoke eloquently of the love we share as a value on which our democracy depends. He noted that the Great Seal of the United States includes the Latin words, "e pluribus unum". Those words mean, "one out of many"—one nation from many diverse people. As we reflect on our national election on November 3, and as we honor our veterans on November 11, let us show respect for those who dedicate their lives for our shared values. We are a congregation that loves God and our neighbors in thought, word, and deed. May we persevere through these hard times with hope and optimism, knowing in our hearts that God is in charge.

Walk the path of love with one of the warmest, most beloved spiritual leaders of our time, and learn how to put faith into action.

As the descendant of slaves and the son of a civil rights activist, Bishop Michael Curry's life illustrates massive changes in our times. Much of the world met Bishop Curry when he delivered his sermon on the redemptive power of love at the royal wedding of Prince Harry and Meghan Markle at Windsor Castle. Here, he expands on his message of hope in an inspirational road map for living the way of love, illuminated with moving lessons from his own life. Through the prism of his faith, ancestry, and personal journey, Love Is the Way shows us how America came this far and, more important, how to go a whole lot further.

The way of love is essential for addressing the seemingly insurmountable challenges facing the world today: poverty, racism, selfishness, deep ideological divisions, competing claims to speak for God. This book will lead readers to discover the gifts they need in order to live the way of love: deep reservoirs of hope and resilience, simple wisdom, the discipline of nonviolence, and unshakable regard for human dignity.

The book is available on Amazon and from other vendors.
